

LED_u8On

```
graph LR; LED_u8On[LED_u8On] --> DIO_u8SetPinData[DIO_u8SetPinData]
```

A diagram showing a function call. A gray rectangular box on the left contains the text 'LED_u8On'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'DIO_u8SetPinData'. Both boxes have a black border.
